

## Avalanche Presents "Our Children"

Beginning in March, the Avalanche will publish "Our Children," featuring photographs of pre-school children in Crawford County. Photographs of children ages 0-5 in our county will be taken free of charge by Adams Photography. The portraits will appear free of charge in the Avalanche and low-cost photograph packages will be available from Adams Photography. The free photo sessions begin Feb. 1 by appointment only. Call Adams Photography at 348-3020.

## Blood Bank At Legion Wed., Jan. 25

January 25th, from Noon till 6 p.m. at the American Legion Hall in Grayling.

President Reagan has declared January 1984 as American Red Cross Blood Bank Month and reminds us all how dependent we are upon the wonderful Blood Donors who give a pint of their precious blood to keep us living and healthy!

Every man, woman and child in this Country who has undergone surgery in the past or who will undergo surgery in the future should say a prayer of gratitude every day for the unselfish individuals who make it a practice to consistently give their blood to help their fellow men and women stay alive.

And today Blood is needed more than ever, for despite every assurance by the Medical Profession there is no chance of contracting AIDS by the process of giving blood, there are still some individuals who in fear and superstition are not giving as they have in the past.

So, you wonderful Blood Donors of Crawford County, mark your calendars: Wednesday, January 25th, from Noon until 6 p.m. at the American Legion Hall; and come and give a pint. You will feel good! And you'll walk a foot taller for at least a week!

Remember, Dial-A-Ride will come and get you and take you home for free if you come to the Legion Hall on the 25th to give a pint of your precious blood. Just dial 348-5409.

## Two Cabins Broken Into

Crawford County Sheriff deputies are investigating breaking and enterings in two cabins on Oak Road between Old 27 and Fletcher Road reported Jan. 13. The names of suspects are not being released until further investigation, but the Sheriff Dept. is asking any citizen with information about the burglaries can call the new anonymous police tip line at 348-6341 ext. 3000.

The Sheriff Dept. is cautioning homeowners to make sure snow is cleared away from chimney caps to insure proper ventilation. The sheriff dept. is also cautioning area residents about ice on rivers and lakes. Ice on the AuSable and other area creeks is usually dangerous. Ice on lakes should be tested.

## Artrain

Artrain is coming to Grayling! Don't miss this opportunity to take an active part in this exciting community project. Come to the organizational meeting, Wednesday, January 25, at 7:30 p.m. in the community room at Northern National Bank.

## Winter Sports Carnival Kick-Off Dinner-Dance Set for February 2

The 59th Annual Winter Sports Carnival Kick-Off Dinner-Dance will be held Thursday, Feb. 2, at the Chief Shoppengon Hotel. Tickets are available at the Hotel, Cornell building, or Chamber of Commerce.

## Second Term of Adult Education To Begin Jan. 23rd

The second term of Adult Enrichment Classes and Adult High School Completion Classes will begin at Grayling High School on January 23, 1984. The classes are being offered through the local office of Community Education.

Registration for classes can be completed the first night of class. High School Completion classes are offered free of charge to any adult who can apply the credit toward their high school diploma.

Enrichment classes are open to anyone interested in taking the class. Enrichment classes carry a tuition fee which is designed to cover the costs of the class.

A complete list of classes will appear in this week's Avalanche.

## Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 18 Jan 84 thru 25 Jan 84.

Firing will be in the following areas on the dates and times indicated.

The Small Arms Ranges located west of Lake Margrethe, north of Howe Rd, east of the gas pipeline and south of Portage Creek. Firing will begin at 18 Jan 84 and cease at 25 Jan 84.

The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of county Rd F97 (Twist Bridge Rd). Firing will begin at 9:00 AM (Daily) and cease at 5:00 PM (Daily).

The ranges will be closed to the public during these periods and all persons are warned to keep out of the areas identified.

## State Leaving Local Schools With High Special Ed. Costs

By Jon Thompson

Crawford AuSable School District, already paying \$387,748 from local taxes for special education, may be paying more if the state decides to cut its special education reimbursement aid.

Superintendent Kent Reynolds estimates Crawford AuSable will lose \$75,000 to \$80,000 for 1984-85 if the state legislature eliminates the reimbursement.

Currently, Crawford AuSable pays a total of \$744,837 for special education programs for an

equivalent of 65.3 fulltime students. (Some students take only one to two hours or a half day of special education classes. All the hours of the students combined equals 65.3 fulltime student hours.)

The state and federal government reimburses Crawford AuSable \$357,089 for the special education programs mandated by state laws. The remaining amount, \$387,748, comes from local tax dollars.

The total amount spent in the district comes to an average of \$11,407 for each fulltime equivalent special education student compared to an average of \$2,101 for

each regular education student.

Although the state tells the local school districts what special education programs they must offer, the state doesn't pick up all the tab. In the Crawford AuSable district this year, local taxpayers are paying three times as much for teaching a special education student as for a regular education student. Local taxpayers contributed \$5,938 for each fulltime equivalent special education student compared to \$1,988 for each regular education student.

Crawford AuSable, through the Northern Michigan Schools Legislation Consortium, is asking the legislature not to eliminate one of the areas they receive reimbursement for the expensive special education programs.

## Iva Hebert Dies Monday

Iva M. Hebert, died Monday, January 16, 1984. Funeral services will be at 3:00 on Thursday, January 19, 1984 at the Sorenson Funeral Home. Friends may call Sorenson's for details. A full obituary will appear in next weeks Avalanche.

## Thayer, Prause Lead Matchmaker Players

Brenda Prause

Damon Thayer

On February 10-11, the Grayling High School Players will present "The Matchmaker" by Thornton Wilder, in the Joseph Stripe Auditorium of Grayling High School.

In the leading roles of Dolly Levi, the matchmaker, and Horace Vandergelder, the irascible merchant from Yonkers, are GHS juniors Brenda Prause and Damon Thayer.

Brenda, the daughter of Robert Prause and Gayle Prause, has been active in Grayling theatrical productions for the last six years. She started acting in the Kids' Theatre program and has been involved in nearly every GHS Players' production since entering high school.

In school, Brenda particularly enjoys her computer, math, and Spanish courses. Her wide range of interests include: aestometry, calligraphy, forensics, and theatre. This summer she plans to travel to Peru as a foreign exchange student.

After graduation, Brenda plans to attend a state university, where she will study computer engineering or theatre.

Damon, son of Dan and Sue Thayer, has been addic-

ed to acting since he made his debut in "Catch-22" as a freshman. He was most recently seen as Harry Alford - The Black Abbot - in this Fall's GHS "Mystery of the Black Abbot."

Damon's favorite school subject is writing, and his hobbies are numerous: horseback riding, following horse racing, reading Dick Francis novels and writing his own stories, participating in forensics, and keeping statistics for the football team.

In college, he hopes to study journalism and broadcasting; and he intends to own and breed thoroughbred racehorses. His ultimate goal is to own a Kentucky Derby winner.

According to "Matchmaker" director Nancy Lemmen, Brenda and Damon are both dedicated actors who bring a great deal of talent and commitment to their roles. She hopes that area residents will not miss the opportunity to see these two talented students and their fellow cast members bring many laughs to the GHS stage as Dolly attempts to match Horace with the perfect wife on February 10-11 at 8:00 p.m.

## 33 Below Recorded Early Sunday Here

By Jon Thompson

How cold was it? Cold enough to freeze spit before it reached the ground, an old-timer might say.

Charles Fick, who records weather facts for Grayling, recorded 33 degrees below zero early Sunday morning. Fick said it was the lowest temperature here since a minus 35 degrees was recorded a few years ago. County residents outside the city recorded even lower temperatures Sunday morning.

Sunday morning's deep freeze was the tip of a long icicle that has been around Crawford County for 37 days. As of Tuesday, Jan. 17, thermometers in the county have not once inched above the freezing mark of 32 degrees Fahrenheit since December 11.

Making some residents shiver even more are memories of the 1982-83 mild winter.

From Dec. 14, 1982, to Jan. 14, 1983, the thermometer did not once dip below zero

according to Fick's records of Grayling temperatures. From Dec. 14, 1983, to Jan. 14, 1984, the thermometer dropped below zero 15 times.

During that same period last winter, it went above 32 degrees nine times — including a remarkable 60 degrees on Christmas. This winter, the thermometer hasn't been able to fight its way above freezing.

Added to the low temperatures has been plenty of snow. This winter, Grayling had 10 inches by Dec. 19, 19 inches by Christmas, and 23 inches by Dec. 29. Last winter, it was a green Christmas, it rained Jan. 10, and six inches didn't fall until Jan. 16.

For county residents hoping for a thaw — keep hoping. The weather predictions indicate another big chill headed this way and the last two weeks in January and first two weeks in February are traditionally the coldest days in our area.

## Grayling Twp. Eyes Railroad Spur Study

By Jon Thompson

The Grayling Township Board took the first step Jan. 10 toward a study for a railroad spur to Camp Grayling and a railroad siding for a wood industry area.

At their regular meeting, the board approved a motion to ask the Northeast Michigan Council of Governments (NEMCOG) to write a grant seeking 50 percent funding for a railroad study.

Grayling Township Supervisor Fowler said an engineer study of the project

would cost \$50,000 at the most. NEMCOG is writing a grant seeking \$25,000 for the study through a community block grant from the federal Dept. of Commerce. Fowler said the township would try to recover most of the rest of the amount needed for the study through the military and other sources. He said the township would likely contribute something to show their support for the project.

The railroad spur to Camp Grayling would be used to

supply a new \$2.2 million logistical supply building and transport ammunition to a new \$1 million ammunition supply point. The railroad line would also be used to move military vehicles out of Camp Grayling if the Michigan National Guard is mobilized.

The railroad siding, proposed near the Four Mile Road area, would be available for existing wood product companies in the area and any new companies wanting to locate near the siding.

## 1983 Miss Michigan Contestant Will Co-Host Grayling Pageant

Christine LaRock

Miss Christine LaRock, from Jackson, Michigan, will co-host this year's Miss Grayling Pageant along with

Wayne Hindmarsh. Chris was Jackson County Rose Queen in 1982 and also won the talent and swimsuit competition in her local pageant. In 1983 she was 4th runner-up at the Miss Michigan pageant.

Chris is a native of Jackson and is presently attending Jackson Community College. She plans to transfer to Michigan State University and enter the field of Merchandising/Management. In preparation she is working at Jacobsons in Jackson.

March 1984 will find Chris participating in the "Miss Heart of Michigan" pageant in Muskegon. This pageant is particularly for girls who do not have a local pageant to enter, or who have been in the Miss Michigan pageant and would like to try again.

Chris will give us a sample of her winning talent and entertain us at the pageant with a Liza Minelli tune,

"Ring Them Bells".

Our local pageant contestants have spent a busy week, culminating on Sunday with a tea at the lovely home of Dr. and Mrs. Ralph Hoffman. Along with refreshments the girls were able to hear how things have changed concerning the pageant since Nancy Hoffman was Miss Grayling in 1947 and her daughter Bridget in 1975.

Later the girls were entertained by Karen and Dave Ross. Dave and Karen did a program of songs with a theme of Friendship and Love, stressing how important these things are. Karen and Dave both sang and Dave played the guitar and Karen played the flute.

Next week will be filled with more dance and exercise sessions and finish with a sledding party on Sunday afternoon and then dinner courtesy of Wendy's Restaurant.

## County Sticks To Freeze on Hiring

By Jon Thompson

The Crawford County Board of Commissioners stuck to their freeze order on wages and all hiring at their regular meeting Tuesday, Jan. 10.

With a 5-2 vote the board decided not to replace a dispatcher leaving the sheriff dept. Chairperson Jeannette Kitchen and Mary Harland, who made the motion on Dec. 13 for the freeze order, voted to replace the dispatcher. Commissioners Larry Mattis, John Miller, Andie Neilson, Don Welser, and Bud Joyce voted against replacing the dispatcher - keeping the freeze order intact.

The commissioners approved the freeze order in December because a \$57,000 deficit was expected at that time in the 1983 budget. The freeze order passed by a 6-1 vote with Mattis dissenting. The freeze is supposed to remain effective until August. An audit of the 1983 budget showing the final deficit is expected by March 1.

The dispatcher's last day at the sheriff dept. was Sun-

day. Besides the dispatcher, the sheriff dept. also has lost a road officer since the freeze order. The road officer's last day was Friday.

In other board action, a request to lease new police cars was sent to the law enforcement committee for study. Sheriff Joe White is requesting six new cars to lease at \$23,500 for one year. Although the lease can be stopped at anytime, the cars would belong to the county at the end of three years.

Currently the sheriff dept. has seven patrol cars with more than 100,000 miles on them and one has 169,000 miles on it. One of the things the law enforcement committee will look at is the number of cars the sheriff dept. would need.

The board also is checking into insulating the court-house roof. An energy analysis estimates new insulation could save 30 percent on heating bills. The county paid \$24,000 for heating last winter and expects to pay \$30,000 this year. Commissioner Miller said savings of \$10,000 would recover the price of insulation in one year.

**TURKEY TIME**—DNR biologist Ray Perez released 23 turkeys Thursday, Jan. 12, at the Grayling Fish and Game Club, a private club southwest of Grayling with about 2000 acres. Perez said the birds were released at the private club because they could feed the birds and help protect them against poachers. The DNR caught the turkeys earlier Thursday at a feeder near Lincoln where a wild flock of 300 had grown too large for the area. The DNR is hoping the turkeys will multiply and eventually move into nearby public lands. (Photo by Jon Thompson)

## From Our Corner...

"It's difficult to soar like an eagle...when you work with turkeys"...that little ditty was sent to me a while back by my elder brother Svend who lives in the town north of us...in his card he stated he was downstate and seen this in the window of a restaurant and it reminded me of me, so couldn't resist from sending it on...little does he know the trials and tribulations we go through some weeks when we are trying to get this turkey out...and believe it or not, this is one of those weeks...

Which reminds us, we were having lunch with Lamont Hamlin Wednesday noon at the hotel and Irvin, our retired railroad friend stopped by the table following his luncheon with his Rotarian friends and brought up the fact that we lament about nothing to say and we still wind up filling our turkey...he had a few other remarks that are not printable in a family newspaper...

Sorry Spike...I know you have told me a number of times not to write about the weather...write something constructive...but gee, there are times there's nothing that earth shaking other than having 22 below zero Saturday night and it was only about 8 above at 2:00 o'clock Sunday afternoon when we trudged down to the office to see if we could come up with a few smarts to pass on to our readers...we put this in this week Spike so that maybe you will feel sorry for us while you are out there in Mesa, Arizona...the problem also is that the temperature is supposed to be down about 6 to 10 below Sunday night...

This past weekend there was a major step taken at our house to get the ol' fella in his long awaited den...our bride took care of the last remaining remnants of Christmas...our desk was moved to the den after the drum table took the place of the Christmas tree...furniture is rearranged...the only big obstacle now is that we still can't see the davenport due to boxes, magazines, etc., we do have to make room for a few foreign objects such as dolls, toys, books, crayons so they will be handy when T.J. and Stefany come for a visit...that is minor...we also have to find a spot for a couple plants that are in the way...and we'll be happy...

An idle thought...R.J. hasn't checked in with us since his return from Hoboken...so we don't know whether he got down to Atlantic City to lose all of his hard earned Michigan money or not...he said he would check in with us after the New Year, and if he doesn't, we'll give his surprise to someone else...this is one way of saving a telephone call or a 20 cent stamp...

Herewith are a couple more fillers for this week's turkey...

**BUSINESS**—We are all manufacturers—some make good, others make trouble and still others make excuses.

**OPTIMISM**—An optimist is someone who tells you to cheer up when things are going his way.

One more idle thought...For those interested in solar heat may we say one thing...it is great when the sun shines...other than that it really doesn't matter...we haven't had too many good solar days so far this winter but, this past Saturday and Sunday the heat was coming in...it was surprising Sunday after having it 22 below Saturday night it became real nice in the house when the sun got around to heating our solar panel, this was without turning up the thermostat...but, good ol' sol is needed for it to be effective...

This takes care of this week's efforts so we will bid T.J., Stefany and Amber goodnight...and to all of our readers have a nice weekend...have fun in the outdoors...we'll spend our time in the house or at the office...

"It's difficult to soar like an eagle...when you work with turkeys such as this"...

## The Bible Speaks

From Calvary Baptist Church

### HOSTILITY AGAINST CHRISTIANITY

You have noticed how everything connected with Bible Christianity in this country is under attack. Our president is being sued for declaring 1983 as the year of the Bible. Cities are being sued for displaying Bible scenes about Christmas. Public schools are being challenged over the singing of Christmas carols. In the name of separation of church and state, the Humanists are trying to isolate our society from Bible Christianity.

Humanists are inconsistent in opposing Bible Christianity. They don't believe in the God of the Bible. To them He is just a myth. They have no valid basis to oppose something they claim does not exist.

They are also inconsistent in opposing Bible Christianity and ignoring other forms of Christmas celebration. If they believe Jesus Christ was just a man, and not God come in human flesh, then they must hold Him in the same light they hold Santa Claus. Why do they go to court to block the celebration of the birth of Jesus Christ and still support the coming of Santa Claus with Christmas presents?

They are inconsistent in defending human rights concerning what they call myths. If you wish to see how defensive they can become, just attack Santa Claus publicly. They will defend the rights of children to enjoy the myths about Santa and the reindeer and gifts. They believe the Christmas

story about Jesus Christ is the same kind of myth, yet they will not allow those of us who believe in Him to celebrate publicly. A nativity scene is most impressive to small children. Since many small children cannot tell the difference between myth and reality, why are Humanists so inconsistent?

Humanists only appear inconsistent because most people don't realize they are playing God. They assume intellectual authority based upon their assumption of intellectual superiority. On this basis they move to protect society from God and religion. They move to force their atheistic unbelief upon those of us who exercise faith in God and the Bible. They will not tolerate freedom of religion; they insist upon freedom from religion. All religion but their own Humanism. (adv.)

## Windbreaks Can Save On Heating Bills

**WINDBREAKS REDUCE WIND CURRENTS:** Part of the air is diverted over the top of the trees and part filters through. Protection from winter winds means savings on fuel bills.

During the dust bowl days of the 1930's, the use of windbreaks became very popular. With relatively inexpensive heating fuels available during the next 40 years, not much emphasis was placed on planting new windbreaks or maintaining old ones.

Times have changed, but winters still get very cold here in Northern Michigan. Now, more than ever, homestead windbreaks should be planted.

The biggest advantage of a properly designed and positioned windbreak is that it will significantly reduce home heating costs. Dollars saved on heating bills far offsets the low cost of installing a homestead windbreak.

Homestead vegetative barriers generally consist of three (3) or more rows of conifers such as red pine, white, blue and Norway spruce. Wildlife shrubs can be planted on the leeward side to attract wildlife. When properly placed, windbreaks reduce road traffic noise and roadway pollution. Additionally, homestead windbreaks will act as a snowfence and therefore reduce drifting snow across driveways.

Aside from visual appeal, windbreaks will encourage songbirds to frequent an area because of the winter and nesting cover afforded.

The Soil Conservation District office sells tree and shrub seedlings suitable for establishing windbreaks. For further information and assistance in planning your homestead windbreak, contact the Crawford-Roscommon Soil Conservation District office and make an appointment. Phone (517) 275-5231; write P.O. Box 156, Roscommon, MI 48653; or stop in at 409 Lake Street.

## NEW PRODUCTS - WE PLAN TO CARRY:

**WILD RICE** - This rice is harvested by the Indians in Minnesota. The best we have ever tasted.

**AMBER JARS** - These jars are used for herbs and spices, or whatever.

**LABELS** - These labels are appealing and can be used on your amber jars or regular canning jars.

**DECORATIVE TINS** - Small tins that can be used for Potpourris, Snacks, etc., anytime of the year for any occasion.

Starting next issue we are placing a "Clip n Save" Price List for our Herbs and Spices. This will continue for about three months. Your response will determine whether or not we list the rest of our products.

**OUR INVENTORY IS DONE, OUR RECEIPTS ARE TOTALED**, and we found that we pushed a lot of stock last year. A lot of stock. But because our prices are so low, our purse may never be full. **SO WHAT!** Your support has shown us that you care enough to go out of your way, and this love and camaraderie is all that matters.

**BECAUSE OF YOU AND FOR YOU**, we are putting nearly everything we have into the **LILLIONA GARDENS**. These gardens, God willing, will be laid out and built in the spring at the front entrance of our property and will be free to the viewing public sometime in late July or first of August.

**AS ALWAYS, BECAUSE OF YOU**, everything and anything we do is for your mental and physical well-being. May God Bless You in the 1984 year.

### Catalog of U.S. Government Books Released

The US Government Printing Office has released a free catalog of almost 1,000 of the Government's bestsellers. Official sales agent for US Government publications, the GPO stocks more than 16,000 titles, including 550 subscriptions. To create the catalog, popular and general-interest titles were selected from this inventory. Featuring books on children, energy, gardening, history, space travel, and more, the illustrated, annotated catalog is designed to make Government books more accessible to the general public.

The catalog is being made available to the public through a nationwide Public Service Announcement campaign. Utilizing broadcast and print media, the PSAs present the scope and utility of Government books and invite interested persons to write for a free catalog.

The U.S. Government Books catalog is part of an extensive program being undertaken by the Government Printing Office to make Americans aware of the information resources available to them through Government publications. The catalog may be obtained by writing New Catalog, P.O. Box 37000, Washington, DC 20013.

### Spikes Drop 96-95 Game

The Spikes Keg of Nails independent basketball team lost a 96-95 game to Haskins Trucking Sunday in the Gaylord fast league.

Spikes lost the game at the free throw line as Haskins outscored them by 16 points at the line. Spikes shot poorly from the line in the first half as well as the second half.

Haskins built up a ten-point lead early in the second quarter, but Spikes rallied to go up 55-51 at the half. Both teams traded leads in the second half until Haskins pulled ahead by four with a minute to go. Spikes closed to within one point four times, but Haskins kept converting free throws to win.

Jim Tobin led Spikes with 23 points, Bruce Burkett hit for 12, Craig Hinkle 12, Mike Money 10, Dale Papendick 10, Louie Madill 9, Dwight Walker 6, Jon Thompson 5, Tom Coors 4, and Barry Ewing 4.

# Three Appointed To Mercy Hospital Board

## Governor Announces Targeted Businesses for Aid

Warren M. Hoyt, Executive Director, MPA

Special assistance targeted to auto supplier companies, including four major pilot programs, has been announced by Governor James Blanchard.

The governor said he wants to create a new working partnership between the state and the industry, and in some cases, simply "get out of the industry's way" so it can pursue its own priorities.

Blanchard proposed pilot programs to expand Michigan markets through a "Make It In Michigan" project that includes major companies, large suppliers and economic development agencies and a pilot project to provide a targeted, coordinated job training service for auto suppliers adding employment to service new assembly plants.

The proposal would also permit suppliers to tap the proposed Michigan Strategic Fund for investment funds and targeted assistance through the proposed Center for Small Business and Entrepreneurial Development in Jackson.

The governor also reaffirmed support for programs which he said will have to wait until the state's fiscal condition improves, including removing the cost of workers' compensation and unemployment compensation insurance from the taxable base of the business tax.

He further suggested a tax credit for research and development and promised to focus on problems the workers compensation system imposes on particular industries like auto suppliers.

Another of the governor's targeted industries for support is forestry by better marketing and promotion of forestry products and stimulated entrepreneurial and research and development investment in the field.

"The potential for new investment in this industry is enormous," Blanchard said in announcing Louisiana-Pacific will build an \$18 million fiberboard plant in Luce County.

Blanchard said the Department of Commerce's export promotion activities would incorporate training and marketing resources in the private sector, export activities would be expanded with trade missions, catalogue shows and direct contacts, a program to attract industries would be targeted to forest products-related businesses and support industries and the Natural Resources Commission will be urged to consider using timber volume agreements as an incentive to existing industries to expand and for new ones to locate facilities in the state.

The governor's program also includes technical assistance to forest products companies on legal, financial and cultural aspects of exporting, a computerized list of all wood supplier and wood products industries which would be made available to potential buyers and a review of state procurement procedures for paper and wood products so state companies would be in a competitive position.

Also included is wood products and technology research support, a national advanced materials research center for wood at Michigan State University, use of the proposed strategic fund for financial assistance to forest products entrepreneurs and a new council on forest products industry development for on-going research, advice and policy development.

The governor said he would appoint a task force to determine the appropriate role of public lands in future economic development of the state.

Rev. Jeffery Regan

Three local citizens have been appointed to three-year terms on the Divisional Board of Mercy Hospital in Grayling, and three existing members received reappointments. All six appointments took effect January 1, 1984.

Appointed by the Board of Trustees of the Sisters of Mercy Health Corporation are Rev. Jeffery Regan, pastor of the Michelson Memorial United Methodist Church; Sherry Hanson, branch manager and assistant vice president of Great Lakes Federal Savings and Gerry Yates, secretary/assistant for the Retired Senior Volunteer Program (RSVP) in Grayling.

Members of the board receiving reappointments were Jerry DeWitt, a real estate broker from Roscommon with Kelly and Associates; Dr. Charles Oppy, M.D. and Jim Shepler, owner of Davis Jewelers in Grayling.

## Grayling Elementary School News

In Mrs. Knibbs' class, levels 5, 6, and 7 reading groups had a test to go into the next level. Almost all of them passed. In level 7, everyone passed the test. The students are in level 8. They are Amanda Bankert, Suzy Lovely, Max Thompson and Cori Nielson. Max is the only one with a perfect score.

They did an art project called repeating designs. They made little black strips and they glued them on to a big white sheet of paper. They also had grey strips. They took little pieces of construction paper and they took paper squares that are all different colors and they cut them into what they wanted, like a tree. And they pasted them onto the grey and black strips. On the other half they pasted on the same thing.

They also learned that the sun keeps shining all the time. The sun sets in the late afternoon. Even on a cloudy day the sun shines. And you can tell time by the sun by knowing where it is at a certain time of day. Night changes into day and day changes into night.

The whole class brought recipes to put in a cookbook they made. They made the cookbook out of construction paper. They copied the recipes down on sheets so everyone could have a cookbook for their parents' Christmas present. By Angela Thompson, 4th grade.

## District Court

The following persons appeared before Judge Francis L. Walsh in 83rd District Court:

Martin Laudenslager, 24, of Ithaca, plead guilty to a charge of driving with a suspended license. He was fined \$45 for the citation issued Nov. 19 by the sheriff dept.

Raymond Denno, 17, of Grayling, plead guilty to a charge of malicious destruction of property less than \$100. He was ordered to pay restitution of \$580 and sentenced 60 days in the county jail plus 12 months probation. He was cited Nov. 7 following a citizen complaint.

Gary Miner, 27, of Roscommon, plead guilty to a charge of impaired driving and was fined \$255. He was cited Feb. 17, by sheriff deputies.

Sherry Hanson

Mr. DeWitt and Dr. Oppy have been board members since 1981. Mr. Shepler has served on the board since 1978.

According to Paul Lerg, Divisional Board chairman, efforts are made to appoint individuals from all sectors of the community. Additionally, appointees are recruited from all parts of Mercy's service area which includes Crawford County, Roscommon County and parts of Kalkaska, Oscoda, Montmorency and Otsego counties.

Rev. Regan, besides being pastor of Michelson Memorial United Methodist Church, is a member of the Crawford AuSable Ministerial Association, director of the Crawford County Red Cross, and a member of the Rotary Club. Mr. Lerg said "Rev. Regan is an upcoming leader in the Grayling community."

Mrs. Sherry Hanson "is a recognized leader in the Grayling community, and will be a valuable contribution," said Mr. Lerg. Her achievements in the community include membership in several organizations including the Grayling Regional Chamber of Commerce, Crawford County United Way, Economic Development Corporation, the Milltown Festival Committee and the Mayor's Blue Ribbon Beautification Committee.

Gerry Yates

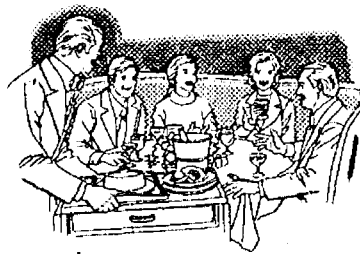

Gerry Yates will bring with her a broad understanding of the needs of the community, especially the needs of the senior population. "Her knowledge will be of tremendous value to the board," Mr. Lerg said.

### Week of Prayer

The annual Ecumenical Prayer Service for the Week of Prayer for Christian Unity will be held at noon Friday, January 20th at St. John Lutheran Church. Theme for this year will be "Called to be one Through the Cross of Our Lord".

This year's guest speaker will be Hertha Laupmanis. All are cordially invited. A time of fellowship will follow the service.

### January is Time to Seek Scholarships

Kirtland Community College and the Michigan Student Financial Aid Association wants college and high school students to know that January is the time to start applications for scholarships, grants, jobs and loans for next year. In fact, the Association has asked Governor James Blanchard to declare January "Financial Aid Awareness Month" so that students won't miss the point. The Association emphasizes that in Michigan alone, students receive over \$500 million in financial aid. Association President, Bruce Himebaugh, of Hope College in Holland, notes, however, "that students must apply for financial aid. If they don't ask, we don't know what they need, and there can be no assistance. This sounds elementary, but some students aren't aware that they must fill out the forms."

Forms are available at the financial aid offices on every college campus, including Kirtland, and from high school counselors. Governor Blanchard, in declaring "Financial Aid Awareness Month," said, "I sincerely hope that every student will take advantage of the financial aid available. Michigan needs more of its citizens trained to meet the challenges ahead. Financial aids can help them achieve that goal."

### Legion Auxiliary Scholarship

The American Legion Auxiliary Unit No. 106 is pleased to announce its scholarship program for 1984. Area girls who are graduating from high school this year and are daughters of veterans are eligible to apply.

Two National President's scholarships, one for \$2000 and one for \$1500, will be available to qualified applicants in our Central division. Also available for daughters of veterans will be several \$500 scholarships from the American Legion Auxiliary Dept. of Michigan. These will be available for general studies, Nursing, and Physical Therapy.

All scholarships will be awarded based on scholastic achievement and need. For further information please contact Bill Klingler at the High School or Sharon Rubey, Education Chairman at 348-7795.

### Dispositions from Circuit Court

The following persons appeared before the Honorable William A. Porter:

Howard C. Gugin of Roscommon, was sentenced on a charge of Attempted Breaking & Entering. He received 3 to 5 years in prison.

James M. Gugin of Roscommon, was sentenced on a charge of Attempted Breaking & Entering. He received 2 1/2 to 5 years in prison.

### Management Seminar at Kirtland C.C.

On Friday, January 27 and Saturday, January 28, a special Management Seminar for Newly Appointed Supervisors/Managers will be presented by the Kirtland Community College Business Dept. and co-sponsored by the Small Business Administration.

The seminar will meet from 8:30 a.m. to 4:30 p.m. both days in the KCC Community Services Room.

The objective of this short seminar (16 clock hours) is to provide up-to-date information in the basic function of planning, organizing, activating, and controlling, as it applies to supervisory management. The topics covered will include: The Purpose of Management; the Manager as an Organizer; Principles of Supervisory Management; Staffing; Directing; Personnel Management; Communication; and Management Relationship, and are suited for beginning supervisors/managers in small businesses, hospitals, banks, educational institutions, food service, hospitality businesses, and other organizations.

Registration for the Management Seminar will be held at the beginning of the seminar. Costs will be \$20 for in-district students, and \$28 for out-of-district students, plus a one time \$10 application fee for new students only.

For further information, contact the Admissions Office at 517/275-5121, ext. 260.

Joe: "No, she remembers everything."

### Doodles From The Tall Timber

Wendell L. Hoover  
Park Interpreter

Is anyone aware of the Beal Plantation? I have to admit that its existence was not known until I ran across some information in a booklet entitled "Michigan's Famous and Historic Trees." It seems that one William James Beal was a Professor of Botany at Michigan Agricultural College (now M.S.U.) from 1870 until 1910. Among other things, Beal was concerned about the aftermath of the logging as it was being done during that period in history. He was aware that the forests were being deprived of young trees that should have been left to produce more timber for the future.

In 1888, Dr. Beal made an experimental planting of a large number of trees on the College Experimental Farm in Grayling in the West half of the Northeast quarter, Section 17, Town 26 North, Range 3 West. His intent was to determine what kind of trees could be grown on the Jack Pine plains. Some of the trees were acquired from Antrim County; others, such as poplars and willows, were originally from Russia. More than forty species were planted, including Hackberry, Catalpa, Kentucky Coffee Tree, Pitch Pine and Russian Mulberry. By 1915, less than half of the species planted had survived. Today, Red Pine, White Cedar, Scotch Pine, Norway Spruce, White Pine, European Larch, Eastern Red Cedar, and White Ash are present, but the Red Pine has done the best. The plantation is now a part of the AuSable State Forest and is clearly visible from Interstate 75 just north of Exit 254.

## Kirtland to Present ‘A Time for Singing’

On January 21st at 8 p.m., the proverbial stage curtain goes up at Kirtland College Auditorium on a unique and intriguing performer named Constance Barron. Miss Barron is a singer's singer; that is, she excels in many musical styles: Pop (from all decades of the Twentieth Century), Broadway Show Tunes, Ragtime, Operetta, and even Opera. Recording star Joan Morris (of the famous period style specialist duo, Bolcom and Morris) says, "Connie is really unusual. It's not just that her singing is absolutely first rate, but that she does the most incredibly difficult musical leaps believably. She has real elegance in doing the 20's and 30's music."

The cabaret style show which Barron brings to Kirtland is entitled: "A Time for Singing: Featuring Songs of the Twenties." The show includes famous tunes like "I'm Just Wild About Harry," "Ain't Misbehavin'," and "You've Got to See Mama Every Night," plus gospel songs, a selection from The Barber of Seville, German lieder (sung in English), and there is even time for her award winning pianist, Brian Connelly, to perform a couple of engaging solo piano pieces. The musical variety of the show is complemented by Connie's five costume changes which are discreetly carried off behind a dressing screen set up on stage.

The professionalism of her performance is founded upon years of show business experience, in musical theatre, in opera and on the cabaret circuit. She has played "Maria" in West Side Story, "Charity" in Sweet Charity, and "Gooch" in Mame (thus attesting to her sense of comedy); she has sung the roles of "Suzanna" in the Marriage of Figaro, "Dido" in Dido and Aeneas, and "Mabel" in the Pirates

of Penzance; and played several of New York's best cabaret clubs such as Reno Sweeney's, Hotel Pierre and Yellow Brick Road. Her credits also include a USO tour of Vietnam.

Connie loves the cabaret format because of the intimate contact with the audience. She claims that the "cabaret experience is the most exciting medium for a performer." She maintains a lively patter with the audience between songs and even invites an audience member up on stage with her during the show.

This is the fourth presentation in Kirtland's 1983-84 Performing Artist Series, and there are three other shows coming up immediately this winter: the Valley Woodwind Quintet (of the Midland and Saginaw symphonies) on February 4, Big Band Jazz by CMU's Studio Twelve Jazz Band and the State contest winning Roscommon High School Jazz Band on February 19, and a professional mime artist on March 8.

Tickets for the Connie Barron show are \$5 for general admission and \$4 for students/senior citizens, and are available at: Roscommon Hardware, St. Helen Pharmacy, Higgins Lake True Value Hardware, Dressmakers in Mio, Rose City Public Library, Flowers by Josie in Grayling, Village Sampler in West Branch, the Houghton Lake Chamber of Commerce, and the Kirtland College Bookstore.

For further information on this or other programs in the series, contact Dr. Robert Amsden at Kirtland at 517/275-5121, ext. 226.

**Special Program Series**  
"Changing Colors as you Silver"

Mon., Jan. 23rd, our program Hostess for the Senior Citizen Ladies of Crawford County will be Jean Compton, former Home Economics teacher at Grayling High School.

Mrs. Compton now has a fabric shop at Bear Lake and she plans to show us how fabrics and color reveal our mature figure pros and cons and how we can improve on or hide them.

Come to the center at 308 Lawndale for this presentation at 1:30 p.m. If you need additional information, please call 348-9314.

### Attention Masons

Due to the extremely cold winter we are experiencing and the trouble we are having with the boiler, it has been decided to close the Lodge Bldg. during the months of February and March.

Our next regular meeting will be Thursday, April 5th. Lodge will open that date at 7:30 p.m.

### Japanese 4-H Exchange Program

Ann Stephenson  
4-H Youth Programs

The Michigan Japan LABO 4-H Exchange is looking for 4-H families to host 70 Japanese youths and adults this coming summer. Although it is limited to "farm" families, "farm" may be interpreted liberally to include any location which is rural.

This exchange program started in Michigan with 15 selected counties from throughout the state in 1984. Since that time it has expanded to all counties throughout the state. A 4-H family usually starts in the program by hosting a Japanese brother or sister between the ages of 12-18 for a month long exchange. This is usually around July 18-August 20, but varies a few days each year. During this time the family and the youth are involved in community activities and exchanging ideas on their country and their way of life.

Selected host families are provided with information to help them with differences in customs and planning for this wonderful experience. A two hour regional host family orientation meeting in May or June gives them some more specifics on the program and experiences from previous host families. Prior to the actual visit the families need to correspond with each other to learn about their family and the interests of the delegate. Language tapes and other information are provided to help the family learn some basic Japanese words and greetings.

Although the actual time seems a long way off, there is a need to have families submit their completed applications now. All applications must be submitted to the coordinator no later than February 1. If you and your family have further questions or desire an application, please contact your 4-H County Extension Office in the County Building at 348-2341, extension 285.

Dear Whitey,  
I can appreciate Don Wards letter in last weeks paper, and I know what he is saying but at the same time myself and many many other Grayling residents go to West Branch, Gaylord, & Traverse to shop at K mart but they also shop at the dime stores, grocery stores, gas stations, & restaurants. I do and I've seen others from town at all of these places many, many times. I've also heard out of town people and Mio, Luzerne and Lewiston people say, Boy, I wish Grayling had K mart we'd shop there. So I'm sure a K mart would do more good here than harm.

**ROSS FROM THE MIDDLE**—Wayne Ross was hot from the middle against Charlevoix scoring 23 points. Rodney Patterson (43) and Jim Stewart try for inside position for a rebound while Mike Hickey watches from behind near the Grayling bench. (Photo by Jon Thompson)

Grayling's quick defense challenged high-ranked Charlevoix and St. Ignace, state finalists last year in class D, but the Vikings' poor shooting led to two losses.

Charlevoix pulled out a 68-82 win after it looked like Grayling had their number in the early going. Grayling's stubborn full-court press rattled Charlevoix right from the first minute, but the Vikings couldn't convert on short shots. Grayling outplayed Charlevoix in the first quarter, yet trailed 12-11. In the second quarter both teams played well as Charlevoix crept ahead 26-20.

The Vikings were outscored 14-7 in the third quarter but came back strong against the league leader outscoring them 25-18 in the final frame.

Grayling scored one more bucket than Charlevoix from the floor, but Charlevoix was 16/23 from the line compared to 8/14 for Grayling.

Wayne Ross led the scoring with 23 points, Jim Stewart added 13, Jon Nicholas 10, Rod Patterson 8, Mick Lovely 6, and Gregg Burns 2. Patterson led the rebounding against the big Charlevoix squad collecting 13. Ross grabbed 8 and Stewart had 8.

Against St. Ignace, head coach Butch Hayes said his team was not mentally prepared for the contest and gave the game away 62-54. Grayling connected on less than one fourth of their shots (20/84) from the floor and hit 14/26 from the line.

Grayling led 27-24 at the half before being outscored 22-11 in the third quarter. In the fourth quarter Grayling came back to make it a close game until a half minute to go when St. Ignace free throws pushed the advantage to six.

Rodney Patterson carried the Vikings in the second half as he scored 17 of Grayling's 27 points. Patterson overcame three quick fouls in the first quarter - came off the bench to hit several long bombs from the corner to keep Grayling within striking distance. He ended up with 19 points to lead Grayling in scoring.

Wayne Ross was next with 10 points. The senior center was outstanding against the rugged St. Ignace squad under the boards as he hauled down 19 rebounds and blocked 14 shots. Stewart added 7 points, Nicholas 6, Lovely 4, Hamlin 3, Hickey 2, Naghtin 2, and Burns 1. Hayes used 11 players in the contest trying to keep fresh players on the court and find working combinations.

The J.V. squad lost a close game to St. Ignace 61-60 missing a chance to score at the end. Hudson earned 17 points, Klinger 11, Whaley 8, Forkum 8, Duncan 6, Neilson 4, Somerville 4, and McEvers 2. Against Charlevoix the J.V.'s lost 52-38. Klinger led the team with 10, Forkum 8, Duncan 6, McEvers 4, Whaley 4, Hudson 2, Neilson 2, and Somerville 2.

**Arts Council Dance Classes**

After one semester of dance classes, culminated by several Christmas performances by children's and adults' dance classes throughout the Grayling community, the Crawford County Arts Council is about to begin its winter semester.

New students are welcome to join classes at any point; present students should note the several changes and additions to the new schedule. New courses include Adult Tap, Beginning Adult Ballet and Tap; and a totally new course - Ballroom Dancing. The schedule will be:

Monday - 9:00-10:00 a.m. - Aerobic Dance, 3:30-4:30 p.m. - Ballet and Tap, ages 5-6; 4:30-5:30 p.m. - Ballet and Tap, age 6; 7:00-8:30 p.m. - Advanced Beginners Ballet and Pointe; 8:30-9:30 - Adult Tap.

**GHS VOLLEYBALL TEAM**—The 1983-84 GHS volleyball team: (front, left to right) Shannon Krayces, Lisa LaMotte, Shelly Trenary, Melissa McEvers, and Denise Campeau. Back, Denise Pittman, manager, Rochelle Campeau, Dawn Phelps, Kathy Worden, Raeann McEvers, Deanna Hubbard, coach Becky Brown.

**Volleyball Team Whips Mancelona**

Grayling pasted Mancelona in the Viking's first home match of the year, taking three straight games 15-10, 15-3, 15-3.

Everyone played in the easy win as the girls delighted hometown fans. Deanna Hubbard hit 20 out of 20 serves to earn the starting server spot for the Vikings. Shelly Trenary continued her fine all-around court play, coach Becky Brown said, and Dawn Phelps again dominated net play.

Lisa LaMotte served well with 13 good serves and led the team in setting. Melissa McEvers combined at the net with Trenary and Phelps to overpower Mancelona with blocks and spikes. Shannon Krayces had a good night setting and Melissa

McEvers and Trenary displayed good court coverage.

The J.V. team won 16-14, 12-15, 15-8 in an even match. Beth Bedard led Grayling in serving hitting on all her attempts. Piper Ostrowski led the team in spikes and sets, and Shelly Denton and Lori Pfaff showed good court play.

Grayling also entertained Petoskey at home in the opening league match and lost 3-15, 12-15, and 12-15. Coach Brown said the defeat was disappointing because Grayling had just split with Petoskey in a tournament Saturday.

Petoskey's big squad wore down the Vikings with spikes and Grayling didn't block enough. Petoskey also had a

server that scored more than half of their points.

RaeAnn McEvers came off the bench to finally slow down the server, but Grayling couldn't rally enough to overcome early Petoskey leads in the last two games.

Deanna Hubbard again led Grayling in serving and Lisa LaMotte also fared well from the serving line. LaMotte and Krayces led in setting and Shelly Trenary led her team with 10 spikes. No one else got more than three spikes. Brown said Grayling played their best while on the defensive, and have to concentrate on their pass to set up more spikes.

The J.V. team won 15-7, 15-8, 15-9 with Bedard hitting 25 of 25 serves. Ostrowski, Bedard, Denton, Pfaff, and Kathy Partin led the team in the win.

**Damascus Road Players**

The Damascus Road Players will be featured this Saturday evening, Jan. 21st at Daniels' Den. They will be performing a variety of skits, mime, and comedy as well as some very special music, between 8:00 p.m. and 12:00 p.m.

On Friday evening, recorded music and games will be available. We recently had over 100 records donated as well as a stereo record player which we appreciate very much. Also, if anyone would like to save Glen's Market tapes, we would be very happy to have them.

Coming up on Jan. 28th is Greg Seaman from Traverse City who plays the guitar and sings contemporary music.

Daniels' Den is located at The Parlor, next to Dan & Maggies on the I-75 Business Loop and West M-72, and is open every weekend on Friday and Saturday evenings from 8:00 to 12:00 p.m. Snack type foods are available and ice cream.

**GHS Skiers Win Four-Way Meet**

Grayling girls and boys ski teams dominated a four-way meet Friday at Shanty Creek.

The girls won with 28 points to Boyne City's 63, Kalkaska's 112, and Sault Ste. Marie's 114. The boys also won easily with 28 points to Boyne's 69, Sault Ste. Marie's 96, and Kalkaska's 113.

Karyn Reynolds led the girl skiers with first place finishes in slalom and giant slalom. Heidi Derenzy placed 3rd and 4th, Kris Laudenslager 4th and 3rd, Heidi Bendig 6th and 6th, Madelyn Thomas 9th and 8th, Carol Longworth 7th in slalom, and Carrie Longworth 7th in giant slalom.

Grayling captured six of the top nine places in slalom and six of the top eight places in giant slalom.

Alan Weiss led the boys with two first place finishes. He was closely followed by

teammate Pete Huss, who took second in both races. Greg Welsler raced to a 5th in slalom and 5th in giant slalom, Mark Gust 4th and 8th, Ron Thomson 6th and 11th, and Kevin Reynolds 9th in giant slalom with a 20th in slalom after falling.

Head coach Mike Weiland said both the girls and boys teams skied well with everyone on both squads contributing.

Grayling skis at home against Charlevoix and Kalkaska Wednesday, Jan. 18, at 1 p.m.

## Keeping in Touch

Cong. Don Albosta

Metal detectors at each entrance greet visitors to the U.S. Capitol these days. In the meantime, closed-circuit cameras carefully keep an electronic eye on people walking the crowded underground tunnels connecting the House and Senate office buildings.

Just a mile or so down Pennsylvania Avenue, concrete barriers continue to be erected at key points leading into the White House. The same holds true for the State Department. Across the Potomac River, officials at the Pentagon are busy sealing walkways and driveways.

What in the world is happening to this free and open society of ours?

The answer is simple: terrorism. Fact is, 1983 will enter the history books as being a most violent one against American government facilities and the people who work in them. Back in April, our embassy in Lebanon was the target of a bomb blast that killed 17 Americans. Violence struck once again in October when a truck loaded with explosives crashed the front gate of the Marine headquarters in Beirut, claiming 241 innocent lives. Closer to home, another bomb went off only a few feet from the U.S. Senate Chamber. The Senate had planned on working well into the evening that particular day. Luckily, it managed to finish its work earlier than expected. But experts say had the bomb exploded when lawmakers

were in session, injury and possible death would have resulted.

These terrorists who represent only a handful of the population must be made to realize that their evil deeds will be met by a swift and no-nonsense criminal justice system that will prosecute to the fullest extent of the law. Nothing short of this action will be tolerated.

The really sad part about the whole thing is that we live in a free and open society. Our magnificent public buildings are just that, public. It's a thrill to have the privilege of visiting them and getting a greater feel for the government on which our democracy rests. I believe citizens should have the right to freely visit their elected officials at any time.

It would indeed be a dreary day to actually watch a tall iron fence go up around the Capitol, as they are now talking about doing.

It goes against the grain of how we in America do business.

### CARD OF THANKS

We would like to thank all those who expressed their sympathy and support at this difficult time. Your care & concern for our husband and father and for our family was very much appreciated.

## American Legion Auxiliary News

By Laurie Jensen,  
P.R. Director

The Career Day Seminar out at the Grayling High School was a huge success. There was good student turn out and they asked many questions. Our Auxiliary is very proud to have been a part of it. Hats off to Sharon Rubey for a job well done in representing the Auxiliary.

The Auxiliary will be having an initiation of new members on Sunday, January 29. This will begin at 6:00 p.m. We will be having a coffee and dessert hour immediately following our Initiation. We hope to see many members out for this.

I hear that we will be having a Teen Dance soon. More details when they become available.

We will be taking donations for poppy seals. Whatever we collect from this project will go to the Dept. Scholarship Fund. This is a very good cause so when these Poppy Seals come in, in a couple of weeks, please give your donations for this worthy cause.

Rosalyn Johnson is requesting donations of yarn, knit or crochet slippers or lap robes. These will be taken down to the V.A. Hospital in Saginaw. These men need our help. All donations will be greatly appreciated.

We still have a few two year calendars available for \$2.00 at the Bar.

Our sympathy goes out to Auxiliary member Ann Hamlin in the loss of her husband Dick. Dick will be sadly missed by many. Our thoughts are with you Ann.

Remember to visit John Hahn who is in the hospital. The Commander of our Post needs our prayers at this time.

Stop in and support your Post. Say a friendly word to our bartenders. Let them know what a good job they are doing.

Until next time, Have A Nice Day!!

## Bowl-A-Thon For St. Jude

The Central Regional Office of ALSAC/St. Jude Children's Research Hospital announced today that American Legion Bowling Alley in Grayling, will be conducting a Bowl-A-Thon during the week of February 4-11. Locally Mrs. Jo Ann Yoder has volunteered to coordinate the "Strike Out Cancer-Spare A Child Campaign."

The Program is dedicated to Terry who has been a patient for the past five years at St. Jude Children's Research Hospital. Terry of Mount Carmel, Illinois, is a normal eight year old girl who in March of 1978 developed acute lymphocytic leukemia, the most common form of childhood cancer. We are pleased to say that Terry has been in remission and off all medication since November of 1980.

St. Jude Children's Research Hospital, located in Memphis Tennessee, was founded by entertainer Danny Thomas. The institution opened its doors to the public in 1962 to combat catastrophic diseases in children. St. Jude is non-sectarian, non-discriminatory, and provides total medical care to all patients.

At St. Jude, scientists and physicians work side by side seeking not only better means of treatment, but also the cause, cure, and prevention of these terrible killers. All information gained at St. Jude is shared freely with other hospitals and institutions the world over.

Sponsor forms are now available at American Legion Bowling Alley. Please bowl so that Terry and the children like her will have a better chance to live.

## A.A.R.P.

The Crawford County Chapter of the American Association of Retired Persons will hold the January meeting on Monday the 23rd at 2 p.m. at the Northern National Bank.

Please note the change in location of the meeting. We hope that all who can will attend this meeting as there is some important business to be decided.

## YOU CAN'T BURY YOUR HEAD IN THE SAND...

### death doesn't go away.

One way to avoid burying your head in the sand is to prepare for death ahead of time. Obtaining sound financial advice, making a will and planning your funeral are practical ways to face this vital matter. Planning a funeral ahead of time assures that your wishes are carried out. It also permits your family to gain some comfort from carrying forth your wishes. Remember, funerals are for the living. When planning your funeral we advise that you discuss your wishes with your family first so they can express their opinions and let you know how they feel about your plans. After you have discussed these matters with your family we'll be happy to assist you with your plans. To help you as you think about your plans write or call us for our free brochure on funeral planning.

1984 Proposed General and Federal Revenue Sharing Budgets

#### SYNOPSIS

The Public Hearing was called to order at 7 p.m. for the purpose of receiving comments on the 1984 proposed General Fund and Federal Revenue Sharing Fund Budgets. All commissioners were present, with Miller arriving at 8:05 p.m. Approximately thirty visitors were also in attendance. Following the adoption of Hearing Rules and Procedures, Finance Chairman Joyce opened the meeting to comments. Several persons expressed concern over the funding level of budgets within the Sheriff Dept. Specific references were made to:

—Condition of patrol cars and safety of officers.

—The importance of maintaining an adequate dispatch operation, since fire departments also depend on the system.

—The need for funds for preventive maintenance on patrol cars.

—Rumors of layoffs.

—The necessity of providing ambulance transport to out-of-county hospitals.

—Cost of patrol cars and condition of officers' uniforms.

—Concern over the jail budget, which is funded at less for 1984 than the projected expenditures of 1983.

—The possibility of hiring a bailiff or court officer to eliminate officer overtime for court duty and prisoner transport.

—Whether it is possible to appoint sergeants as Medical Examiners to cut costs.

—The possibility of soliciting private donations for purchase of patrol cars.

—The need to give priority status to public safety and emergency services.

Another area of concern was the funding level of the District Health Dept. Appropriation. Addressed was:

—The fact that this appropriation hasn't been increased since 1982.

—Salaries of Health Dept. personnel, also not increased since 1982.

—Concern for meeting the health care needs of county residents.

—The late notification to the Health Dept. that the \$15 thousand increase requested for 1984 would not be forthcoming from Crawford.

—The possibility that health services to Crawford County may be reduced if the county doesn't meet its \$67 thousand share of the District's \$156 thousand budget.

Commissioners responded to questions and comments throughout the hearing. Among the items addressed were:

—The anticipated deficit, which must be addressed in the 1984 budget.

—The fact that the proposed budget is a preliminary budget only. It was drafted at the same funding level as the amended 1983 budget until the 1983 deficit is determined; at which time amendments will be considered. The preliminary concept was suggested by M.S.U. economist Al House; and authorizes expenditures at least at last year's level for now.

—The budgets originally requested by Dept. Heads which, if granted at requested levels, would have required three additional mills to accommodate.

—The fact that the county is at its statutory borrowing limit at this time.

—The problem of planning with unpredictable revenues, and budgeting for unpredictable and uncontrollable expenses.

—The fact that while commissioners recognize the importance of public safety, emergency services and health services, as well as the importance of many other services, the budget must be drawn realistically within the revenues available.

—The newlein system and radios for the Sheriff Dept., the purchase of which commissioners pointed out reflect their concern for officer safety and their willingness to consider requests for

unbudgeted items.  
—The decline in jail revenues, which we once received for board. ing inmates from other counties. Crowded conditions now prohibit this practice.

—The rising cost of boarding our female prisoners elsewhere, because we lack facilities for women.

—The general problem of funding all necessary services with available funds. In response to the question of whether another public hearing would be held prior to adoption of a permanent 1984 budget, the Chairperson indicated it hadn't yet been considered. Treasurer Wakeley stated that while a second hearing was not required, it was worth considering in light of the interest shown in this hearing. Chairperson Kitchen thanked the Board and citizens for their comments, and declared the hearing closed at 8:35 p.m.

## December 29th Regular Meeting

### SYNOPSIS

The December 29th Meeting of the Crawford County Board of Commissioners convened at 9:45 a.m. with Commissioners Kitchen, Harland, Neilson, Welser and Joyce present. Miller arrived at 10:48; Mattis was absent and four visitors attended at various times. (Joyce was excused at 1:50 p.m.)

**IN FORMAL ACTION, THE BOARD:**

—Approved the December 13th minutes as presented.

—Reviewed and accepted twenty five pieces of correspondence.

—Approved General Fund Vouchers in the amount of \$20,082.02, and Fish Hatchery expenditures of \$215.00.

—Approved a \$265.00 appropriation for 1984 membership dues to the National Association of Counties.

—Supported SB 542, which calls for a \$360 million state bonding program to assist local governments and private enterprises in resolving solid waste management problems.

—Supported a Saginaw County Resolution supporting the concept of solid waste incinerators.

—Supported an Ogemaw County Resolution opposing the assessment of an annual \$120.00 fee for property on which railroad crossings are located.

—Adopted the 1984 General Fund Preliminary Budget in the amount of \$2,178,885.00, and a 1984 Federal Revenue Sharing Fund Budget of \$170,053.00.

—Approved expansion of the Huron Pines Resource Conservation & Development District to include Roscommon, Iosco and Ogemaw Counties.

—Moved to request that the Michigan Dept. of Treasury authorize Gary J. O'Berski, C.P.A. to conduct the State Legal Compliance Audit.

—Authorized payment of the notary application fee and bond for an employee in the Clerk's Office.

—Table a request for a \$75.00 damage to livestock claim, pending further information.

**REPORTS & ANNOUNCEMENTS:**

—Problems with attempts to close a road at the Higgins Lake Training School have been resolved.

—An RC&D erosion control project at the old castle site on the South Branch is being pursued.

—Assessment of the 1983 insurance cost to the Transportation Authority should be made.

—DPW reported that the entrance road at the landfill is complete; bills are up to date; and the engineer has been requested to submit the construction plans within 48 hours. The DNR is assisting us in well contamination problems; and the clay for the cover is being sought through the Road Commission, to be spread by our employees. Seeding will be done on the covered areas. (A vinyl cover is not approved.) A water vein was hit in the new trench, so another must be dug; and more test wells are necessary.

—Planning and Zoning reported that joint meetings are underway to review the thirteen proposals submitted by planning consultants. Further meetings will be held prior to a presentation.

—The 1984 Organizational Meeting of the Board was set for 1:00 p.m. Jan. 4th.

—The Assistant Prosecutor will be asked to review resolutions relative to the membership of the Commission on Aging and necessary appointments.

—Board consensus was to retain labor consultant Spawr and the 1983 labor committee until an on-going arbitration case has been resolved. The former committee will represent the Board on this issue only.

**DISCUSSION ITEMS INCLUDED:**

—The status of the 1984 appropriation to the District Health Department. To approve the requested increase, which would include raises for Health Dept. personnel, was deemed unfair in light of the salary freeze now in effect for county employees. The Board will work to negotiate an alternative other than a reduction of service.

—HB 4723, relative to removing holding cells, holding centers and lock-ups from the jurisdiction of the Dept. of Corrections. While the county's self insurance authority supports the legislation from a majority view of the membership, the Sheriff feels it would be a detriment to county jails.

—Several proposals from Mercy Hospital regarding areas in which the hospital staff could offer technical assistance to the ambulance service. Included were evaluation of fee structure, billing and collection procedures, establishment of policies and identification of grant and revenue sources.

—The effects of the hiring and salary freeze on the Sheriff Dept. and the Undersheriff. The Sheriff indicated that recent resignations will leave positions unfilled, and create serious problems with service. The Undersheriff pointed out that his salary freeze resulted in his earning less than members of the bargaining unit; and that he may have to consider returning to bargaining unit ranks. The Board stated no consideration could be given to ending the freeze until the 1983 deficit is determined.

Meeting adjourned at 3:37 p.m.

## Road Commission Minutes

December 2, 1983

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Chairperson Kraus presiding. Present were: Chairperson Kraus, Commissioners Norman Parker, Grover Cason, Engineer-Manager John Keir and Acting Secretary Joanne Turner.

The minutes of the previous meeting of November 18, 1983 were read. Commissioner Parker made a motion to accept the minutes with corrections, seconded by Commissioner Cason. All voted in favor, minutes approved.

Payroll Voucher Number 24 in the amount of \$19,734.00 and Material Voucher Numbers 727 through 797 in the amount of \$58,085.06 were presented to the Board for payment. Commissioner Cason made a motion to accept the vouchers, seconded by Commissioner Parker. All voted in favor, vouchers signed.

Andie Neilson, Chairman of Roads & Bridges, appeared before the Board regarding Fletcher and Chase Bridge Roads.

The following permits were presented to the Board. Top O Michigan to change from a secondary crossing to a primary aerial crossing on Sherman Road in Maple Forest Township; Consumers Power to extend a line on High Road in South Branch Township; Aangstrom Precision Corporation for a gravity and elevation survey on Higgins Lake Road and Oak Road; an Shell Oil Company for seismic cable crossings across Crawford County. The Board reviewed all permits and signed them.

Engineer-Manager Keir informed the Board of the Abandonment Hearings for alleys in Portage Lake Park has been set for January 13, 1984 at 11:00 for the alley in the First Addition to Portage Lake Park and 11:15 for the alley in the Second Addition to Portage Lake Park.

Surplus Equipment Bids will be advertised in the local paper and the Bids will be taken December 16, 1983.

The Board signed a contract with Robert Carpenter, CPA, for the 1983 Financial Report yearly audit and the Act 61 Report to be done at the year end.

The Board approved the request for fire station warning lights on County Road 612, Frederic Township.

Engineer-Manager Keir reported that McMaisters Bridge was not on the critical bridge list for 1984. Also, that the average snowfall in Crawford County averaged 55 inches in the winter of 1982-83 which is less than 80 inches to be eligible for the MTF snowfund.

The Board approved final revisions for the 1983 budget.

A motion was made by Commissioner Cason and seconded by Commissioner Parker to close the public meeting for a discussion regarding Teamsters Local No. 214 negotiations.

When the doors were opened, a motion was made and seconded to adjourn the meeting. All voted in favor, meeting adjourned.

## Editor's Mailbox

January 7, 1984

To The Editor

Open letter to the Ladies at R.S.V.P. and Ladies and Gentlemen of Dial-A-Ride.

For over eighteen months I was a shut in, at least 75% of that time in bed in extreme pain, due to a deteriorating hip, in need of a transplant, which was done August 14, 1983.

During that time it was necessary for me to depend on these individuals above for almost all of my outside activities.

This is a humble way of expressing gratitude, there is no other possible way for me to do it properly.

These ladies and gentlemen were always magnificent, never anything but diligent, polite, and prompt, without them I would have been a lost old woman.

To my constant helper Jayson Welsler you are a treasure.

Grayling can indeed be proud to have them in their community.

Sincerely,

Mrs. Catherine Baker

## Expiration Date

A federal regulation now requires manufacturers to include an expiration date on the label of most non-prescription drugs. Drugs should be discarded after that date.

## Gerhart-Dow Speak Vows

Louise Mary Gerhart and Robert Lyle Dow were united in marriage on November 12, 1983, in double ring ceremony at Cherry Hill Baptist Church in Dearborn Heights, Mi. at 6:30 p.m. Dr. Joseph Kutter officiated. The bride was escorted by her father, Julius A. Gerhart.

Louise is the daughter of Julius and Frances Gerhart of Grayling. Robert is the son of David and Ollie Belle Dow (both deceased).

The bride wore a gown of nylon with a Victorian neckline. The bodice was decorated with chantilly lace and pearls. The gown had a chapel train.

The maid of honor was Diana Ceriani, friend of the bride. She wore a dusty pink floor length gown. The best man, a friend of the groom,

was John Wager. Ushers were Bernard Hanses and Frank Retell.

A reception was held in the church fellowship hall. Out of town guests were from Grayling, Flint, Pennsylvania, South Carolina, Tennessee, Ohio, Indiana and Illinois. During the reception the bride's nephew, John Accardi, entertained the guests playing several selections on the accordion.

## Chamber Chatter

By Joyce Kolka

A recent mailing about group insurance from the Northwest Macomb Chamber of Commerce was not authorized by the Grayling Regional Chamber of Commerce Board of Directors. When the brochure about the insurance began arriving in the mail boxes of local merchants, the chamber received calls about the program. The mailing was sent without our knowledge and we have not received any more information than our individual members.

The Career Day Seminar held at the Grayling High School was a huge success with over 60 students participating in the program. The two subject seminar covered protective services and recreation and hospitality. Acting as moderator for the protective services section was Col. Ivan Gwilt, Camp Commander. Members of the panel included Doug Wilson, Youth Services; Lt. Bob Stacey, Michigan State Police Forensics Laboratory; Grayling City Police Chief Pete Stephan, Tom Davis, Attorney and Tony Doremire, Emergency Services.

The Recreation and Hospitality section was moderated by Sherry Hanson, Great Lakes Federal Savings assistant vice president. The panel included Jim Franke, Wendy's manager, Grayling store; Larry Gust, owner of Pine Knoll Campground; Hertha Laupmanis, Innkeeper, Grayling Holiday Inn and Duane Brooks, Forest Fire Officer, Department of Natural Resources. The students asked many questions of the panelists and the general opinion of the participants was that it was very worthwhile. The organizing committee for the seminar included Penni White and Bill Klinger, High School counselors; Sharon Rubey, American Legion Auxiliary and Joyce Kolka, Grayling Regional Chamber of Commerce. The American Legion Auxiliary with the assistance of several students furnished a delicious luncheon for the panel members.

The organizational meeting of the Artrain Committee will be held on January 25 at 7:30 p.m. in the Northern National Bank Community Room. As readers will recall, it was announced last week in this column that the Artrain will be coming to Grayling on April 8-12. All citizens are welcome to attend the meeting and assist in planning for the Artrain.

Duane Brooks of the DNR has informed us that the snowmobile trails are being groomed regularly and look to be in excellent condition. We have learned that Brooks and some other DNR employees came off of vacation leave over the holidays to groom the trails. Thanks guys for doing the job to keep those visitors coming.

The Grayling Winter Carnival program is about set. The first event Saturday morning, February 4 will be Snow Softball. The final event on February 5 will be the Downhill Canoe Race. The schedule in between the two dates is loaded with fun events for young and old.

The chamber is looking for someone to be Trout Festival Chairman and Mushroom Festival Chairman. Anyone interested in helping please contact the chamber office.

### Your Week Ahead Horoscope

Forecast Period: 1/22 - 1/28/84

**ARIES**  
Mar. 21-Apr. 19  
The spotlight is on social activity. New members are warmly welcomed into your circle of friends.

**TAURUS**  
Apr. 20-May 20  
Use diplomacy in dealing with one in a superior position. There's nothing to be gained by confrontation.

**GEMINI**  
May 21-June 20  
Fresh opportunities open the way for travel and education, and point the way to a money making enterprise.

**CANCER**  
June 21-July 22  
Working with another brings a new awareness of the talents all around you just waiting to be tapped.

**LEO**  
July 23-Aug. 22  
Partnership matters will be of primary importance in these coming days. Don't expect to get all the attention.

**VIRGO**  
Aug. 23-Sept. 22  
A change in occupation brightens the financial picture. Family health matters take on added importance. Be optimistic.

**LIBRA**  
Sept. 23-Oct. 22  
A long-term creative project is carried through to completion. Find ways to share your happiness with others.

**SCORPIO**  
Oct. 23-Nov. 21  
Home, family, and property need attention now. Hold off for a few days before finalizing a property purchase.

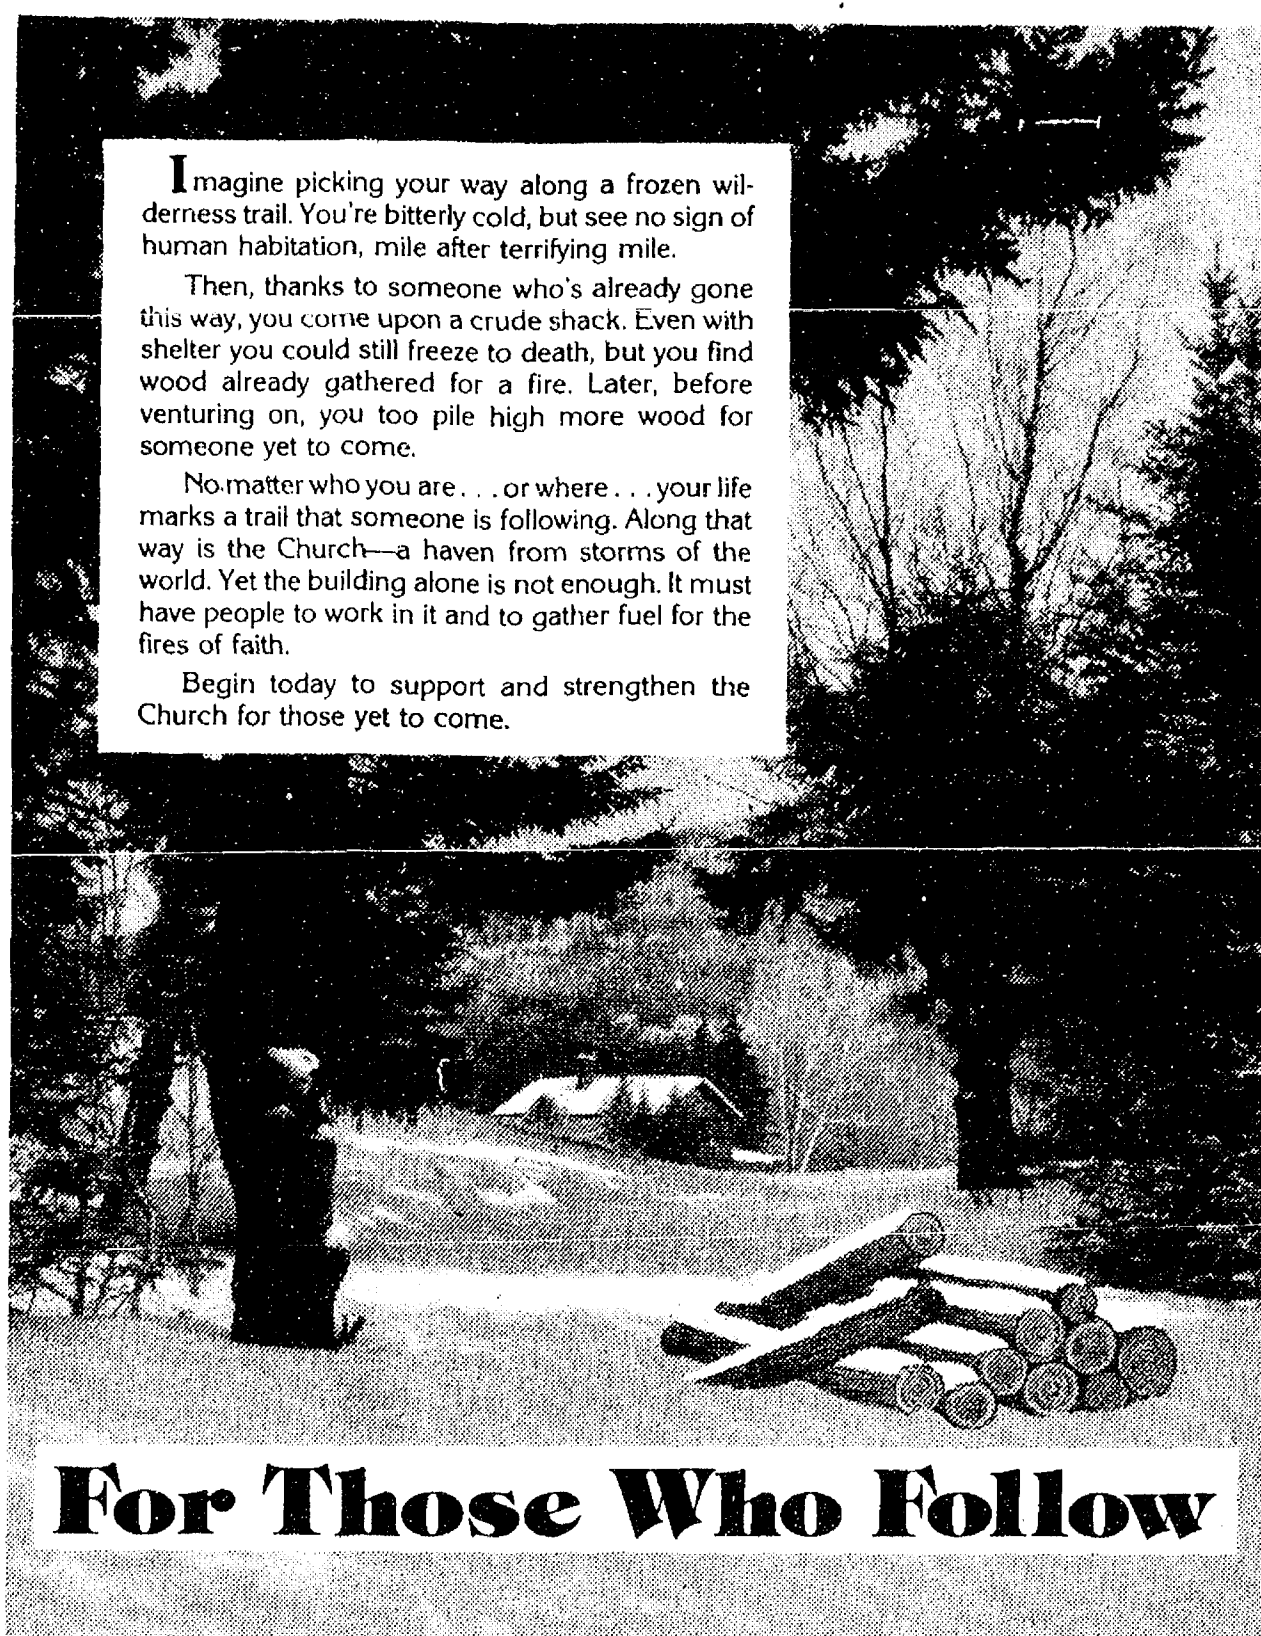

**SAGITTARIUS**  
Nov. 22-Dec. 21  
Busy is the keyword for these upcoming days. Someone of experience helps with a troubling decision.

**CAPRICORN**  
Dec. 22-Jan. 19  
Shop the garage sales for the piece of furniture you have in mind - or try the thrift shops.

**AQUARIUS**  
Jan. 20-Feb. 18  
Happy birthday Aquarius. You are starting a new cycle now. Can you stand an even faster pace than you've been following?

**PISCES**  
Feb. 19-Mar. 20  
The fishes are floundering without your company. Hurry up and get home. Times-a-wasting.

To the owner or owners of any and all interest in, or liens upon the lands herein described:

**TAKE NOTICE**, that sale has been lawfully made of the following described land for unpaid taxes thereon, and that the undersigned has title thereto under tax deed or deeds issued therefor, and that you are entitled to a reconveyance thereof, at any time within 6 months after return of service of this notice, upon payment to the undersigned or to Register in Chancery of the County in which the lands lie, of all sums paid upon such purchase, together with 50 per centum additional thereto, and the fees of the Sheriff for the service of cost of publication of this notice, to be computed as upon personal service of a declaration as commencement of suit, and the further sum of five dollars for each description without other additional cost or charges:

**PROVIDED**, that with respect to purchasers at the tax sale held in the years 1938, 1939 and 1940 the sum stated in such notice as a condition of reconveyance shall only be all sums paid as a condition of the tax title purchase, together with 10 per centum additional hereto. If payment as aforesaid is not made, the undersigned will institute proceedings for possession of the land.

**DESCRIPTION OF LAND:**  
Lots 7, 22, 31, 37, 45, 77 and 94 of the recorded plat of Uppnorthe No. 1 and Lot 399 of the recorded plat of Uppnorthe No. 3, Fredric and Maple Forest Townships, Crawford County, Michigan.  
Amounts paid in the 1982 tax sale for 1979 taxes were \$38.43 each for Lots 7, 22, 31, 32, 45, 77 and 94 of Uppnorthe No. 1. Amounts necessary to redeem are \$57.65 each, plus the fees of the Sheriff. Amounts paid in the 1981 tax sale and the 1982 tax sale for Lot No. 399 of Uppnorthe No. 3 were \$46.80 and \$67.19, for a total of \$113.99. Amounts necessary to redeem are \$155.99, plus fees of the Sheriff, Payable to: North Michigan Land & Oil Corporation, P.O. Box 470, Grayling, Michigan 49738 through Crawford County Treasurer, County Bldg., Grayling, Michigan 49738.  
Dated: January 10, 1984.

## Volunteer's On The Go!!

Mrs. Brenda Wisniewski is another one of our school volunteers who work with individual students in the Remedial Reading program. Brenda is a very active volunteer member of our community. Among her credits as a volunteer are: 3 years, St. Mary's Altar Society, 3 years in the church choir, 1 year with the hospital auxiliary. She works on Wednesdays each week with the patients in the long term care section of Grayling Mercy Hospital. She is also the Girl Scout Troop Consultant for Crawford County along with being a Girl Scout Co-Leader for the past 4 years. Last year in our volunteer program she worked as a lunchroom aide at the Grayling Elementary School and this year is of course, devoting her time to helping in the Remedial Reading Room.

When asked if she had any hobbies in her spare time she said she enjoyed fishing, camping, gardening, swimming, biking, loves anything

out of doors, and is an avid reader.

Also when asked why she has become a volunteer in so many areas, she stated that she enjoys working with people and is a firm believer that the more you give of yourself the more it will come back a hundredfold.

She says she enjoys working in the Reading program because it seems that the children are full of love; they accept you for who you are, and are non-demanding in their relationship with you. She also stated she felt the School Volunteer Program is a worthwhile group of people who are beneficial to our community by helping in our schools.

Well, Brenda, Thanks seems like a simple word for one who gives so much time and caring into her volunteer work, but we do thank you for being a part of our community and school volunteer program.

If anyone would like information on the AuSable School's Volunteer Program, please contact Mrs. Wolf at 348-7641, ext. 52.

## Bowling Notice

### Attention Ladies

Our annual City Tournament will be underway shortly. The deadline to reserve your spot for Doubles & Singles is Feb. 3, 1984. Make sure you sign up at the bowling alley. There are still spots available for both days at all time slots. Remember, your entry fee for team event is due this week. Let's all make this years Tournament the biggest ever.

Sandi Hoffman  
Tournament Sec'y.

### Big Cuts

Buy on special and take advantage of big cuts of meat. Paying \$15-\$25 for a piece of meat that gives 12 to 16 servings is not extravagant.
